1. The class will watch the film *Romeo and Juliet* on either Monday/Tuesday or Wednesday/Thursday the week starting Sept. 9, 2024.
2. Take notes during the lesson in advance of the film, when prompted to take notes during the film, and in the lesson after the film.
3. Using the notes and from memory, you will answer questions about the film that show that you viewed the film, paid attention, and remember the major parts of the film. The questions for this are meant to be simple and basic. If you viewed the film, you should be able to pass or complete the quiz.
4. Help is provided for students who viewed the film in-class but cannot recall some of the key details.
5. If you missed the in-class viewing, an alternative take home quiz may be completed in place of the quiz. Please ask for the make-up quiz if one is needed.
