HELP PLAN AN EARTH DAY 2026

COMMUNITY CONCERT FOR

CLIMATE ACTION

The PRDTU Social Justice Committee has been awarded \$3000 in grant funds for a “2026 Earth Day Community Concert for Climate Action”. The possibilities are wide open...and you can help plan the event by attending the Dec. 10 Social Justice Committee meeting (3:45-4:45 PM at Conrad, room TBD). One teacher (SJ Rep) from each school should attend the meeting. All teachers are welcome to come help with planning. No other event details are decided yet. Come with ideas and so we can put them into action!
